GENERAL PASSENGER INFORMATION

RESERVATIONS

You can book reservations on all North American Airlines flights through your travel agent, with any other originating airline, or direct with North American toll-free in Florida 1-800-432-1433, (305) 885-6500 in Miami. In Florida, North American will provide instant reservations and information service not only for its originating flights, but also on continuing connecting airlines to domestic and international destinations anywhere.

EVERYONE LOSES ON "NO-SHOWS"

Cancellation of a reservation, when your plans change, enables airlines to confirm what would otherwise be an empty seat, to another passenger. Reduction of this industry problem will help lower fares for all travelers. Your consideration is appreciated.

FORM OF PAYMENT

North American Airlines accepts American Express, VISA, UATP or MasterCard. Personal checks are acceptable with proper identification.

CHECK-IN TIME

Passengers with tickets should check in at North American's ticket counter 30 minutes prior to flight departure time. The airline reserves the right to cancel the reservation of any passenger who fails to check in at the departure gate at least 10 minutes before scheduled departure.

BAGGAGE

Passenger name/address identification must be prominently displayed on the outside of each piece of checked baggage, adhered or fastened in a secure manner. North American will check baggage through to final destination on other connecting airline flights.

Each passenger is permitted to carry baggage on board which fits under the seat. All other baggage must be checked, and must not exceed three pieces with total weight of 70 pounds. Nominal charges will be assessed for additional pieces or overweight.

North American does not assume any liability for fragile or perishable articles. Liability for loss or damage of checked baggage is \$750 per fare paying passenger.

Temporary misplacement or damage of baggage must be reported to the airline immediately upon flight termination, along with appropriate claim check.

PARCEL EXPRESS SERVICE

"Sun Express" parcel service is available on all North American scheduled flights at nominal rates. Any North American ticket counter agent will accept packages. Call North American for rates and information.

MINIMUM CONNECTING TIMES

At *Miami International Airport*, minimum connecting time from any North American Airlines flight to another North American flight is five minutes. The minimum connecting time between North American and other airline *domestic* flights is 55 minutes or less (Canada, Freeport, Nassau, St. Thomas, St. Croix and San Juan are classified as domestic destinations). Minimum connecting times between North American and *international* flights are one hour or less. There are some restrictions; your North American reservations expert will verify your specific minimum connecting time requirements when booking your reservations to fly anywhere in the world.

At *Tampa International Airport*, minimum connecting times between North American flights and *domestic* flights is 40 minutes or less, and one hour or less for *international* flights.
